MOTIVATE SERIES 4X3 DOUBLE HALF RACK

M84307-DH

THE PMX MOTIVATE SERIES rack line is engineered for athletes who demand uncompromising performance. Built from ultra-durable 7-gauge structural steel, these fully customizable racks are designed to withstand the most intense training environments. Precision laser cut holes spaced every 2 inches, deliver unmatched adjustability and fast, accurate setup. With seamless compatibility of attachments, cross-connecting bars, super bridges, and integrated storage solutions, the MOTIVATE Series transforms any space into a high-performance training platform built to evolve with your athletes.
